Applications are invited for a Term Adjunct to
Act as Co-instructor (50%) for a blended course

ANAT 100*, Winter Term
Anatomy of the Human Body
Course Level: First Year
Location: On-campus
Anticipated Enrolment: 120

Qualifications for the Appointment: Ph.D. in relevant field with at least two years of post-doctoral experience relevant to the field of instruction. As these courses are being offered in a blended format, successful candidates will also: have regular access to high speed internet and a computer that meets current specifications, be willing to take an active role in delivering the course and communicating regularly with students, be open to learning how to use new technologies in order to be effective in the virtual environment, be flexible in terms of availability, which may include offering online office hours via the web at times outside of the regular 9-5 work week, be willing to provide students with timely and constructive feedback on OnQ and be comfortable with working in a partnership in the delivery of the course.

Individuals interested in applying for this term adjunct teaching position should submit an application by July 18, 2019. The application shall include a complete and current curriculum vitae (CV), any other materials the applicant wishes to submit (such as a teaching dossier, teaching philosophy, teaching assessments), and the names of two referees who may be contacted.

Applications should be submitted to:

Dr. Thomas Massey, Professor and Interim Head
c/o dbmsrecruit@queensu.ca
Department of Biomedical and Molecular Sciences
Botterell Hall, Rm 563
Queen’s University

The University invites applications from all qualified individuals. Queen’s is committed to employment equity and diversity in the workplace and welcomes applications from women, visible minorities, Aboriginal peoples, persons with disabilities, and LGBTQ persons.

Posting Date: July 3, 2019
