

DEPARTMENT OF BIOMEDICAL AND MOLECULAR SCIENCES

Term Adjunct Teaching Position Available (2022-23 Winter term)

Applications are invited for a Term Adjunct to teach 100% of Advanced Molecular Biology (BCHM 411*)

BCHM 411*

Course Content: 36 hrs (lectures/seminars)

Course Level: Fourth Year Location: On-campus Anticipated Enrolment: 40

Qualifications for the Appointment: PhD in relevant field with at least two years of post-doctoral experience relevant to the field of instruction.

Individuals interested in applying for this term adjunct teaching position should submit an application by October 17, 2022. The application shall include a complete and current curriculum vitae (CV), any other materials the applicant wishes to submit (such as a teaching dossier, teaching philosophy, teaching assessments), and the names of two referees who may be contacted.

Applications should be submitted to:

Dr. Lynne Postovit, Professor and Head c/o dbmsrecruit@queensu.ca Department of Biomedical and Molecular Sciences Botterell Hall, Rm 563 Queen's University

The University invites applications from all qualified individuals. Queen's is committed to employment equity and diversity in the workplace and welcomes applications from women, visible minorities, Aboriginal peoples, persons with disabilities, and LGBTQ persons. All qualified candidates are encouraged to apply; however, in accordance with Canadian Immigration requirements, Canadian citizens and permanent residents of Canada will be given priority. To comply with Federal laws, the University is obliged to gather statistical information about how many applicants for each job vacancy are Canadian citizens / permanent residents of Canada. Applicants need not identify their country of origin or citizenship, however, all applications must include one of the following statements: "I am a Canadian citizen / permanent resident of Canada"; OR, "I am not a Canadian citizen / permanent resident of Canada". Applications that do not include this information will be deemed incomplete.

Posting Date: September 27, 2022
