Term Adjunct Teaching Position Available  
(2023-24 Fall Term)

Applications are invited for a Term Adjunct to teach 100% of an online format course entitled Human Cell Physiology (PHGY 170*)

Course Content: equivalent to 36 Lectures  
Course Level: First Year  
Location: Online  
Anticipated Enrolment: Approximately 175

Qualifications for the Appointment: PhD in relevant field with at least two years of post-doctoral experience relevant to the field of instruction. The successful candidate will also: have regular access to high speed internet and a computer that meets current specifications, be willing to take an active role in delivering the course and communicating regularly with students, be open to learning how to use new technologies in order to be effective in the virtual environment, be flexible in terms of availability, which may include offering online office hours via the web at times outside of the regular 9-5 work week, be willing to provide students with timely and constructive feedback on OnQ and be comfortable with working in a partnership with teaching assistants and others in the delivery of the course.

Individuals interested in applying for this term adjunct teaching position should submit an application by July 28, 2023. The application shall include a complete and current curriculum vitae (CV), any other materials the applicant wishes to submit (such as a teaching dossier, teaching philosophy, teaching assessments), statement of citizenship (see below), and the names of two referees who may be contacted.

Applications should be submitted to:  
Dr. Lynne Postovit, Professor and Head  
c/o dbmsrecruit@queensu.ca  
Department of Biomedical and Molecular Sciences  
Botterell 563, Queen’s University

The University invites applications from all qualified individuals. Queen’s is strongly committed to employment equity, diversity, and inclusion in the workplace and encourages applications from Black, racialized/visible minority and Indigenous people, women, persons with disabilities, and 2S/LGBTQ+ persons. All qualified candidates are encouraged to apply; however, in accordance with Canadian Immigration requirements, Canadian citizens and permanent residents of Canada will be given priority. To comply with Federal laws, the University is obliged to gather statistical information about how many applicants for each job vacancy are Canadian citizens / permanent residents of Canada. Applicants need not identify their country of origin or citizenship; however, all applications must include one of the following statements: “I am a Canadian citizen / permanent resident of Canada”; OR, “I am not a Canadian citizen / permanent resident of Canada”. Applications that do not include this information will be deemed incomplete.

Posting Date: July 14, 2023
