

DEPARTMENT OF BIOMEDICAL AND MOLECULAR SCIENCES

Term Adjunct Teaching Position Available (2019-20, Winter term)

**Applications are invited for a Term Adjunct to
teach (100%) a blended format course entitled
History and Philosophy of Health and Healthcare (BMED 173*)**

BMED 173*

Course Content: equivalent to 36 Lectures

Course Level: First Year

Location: On-campus

Anticipated Enrolment: 120

Qualifications for the Appointment: Ph.D. in relevant field with at least two years of post-doctoral experience relevant to the field of instruction. As this course is being offered in a blended format successful candidates will also: have regular access to high speed internet and a computer that meets current specifications, be willing to take an active role in delivering the course and communicating regularly with students, be open to learning how to use new technologies in order to be effective in the virtual environment, be flexible in terms of availability, which may include offering online office hours via the web at times outside of the regular 9-5 work week, be willing to provide students with timely and constructive feedback on OnQ and be comfortable with working in a partnership in the delivery of the course.

Individuals interested in applying for this term adjunct teaching position should submit an application by November 26, 2019. The application shall include a complete and current curriculum vitae (CV), any other materials the applicant wishes to submit (such as a teaching dossier, teaching philosophy, teaching assessments), and the names of two referees who may be contacted.

Applications should be submitted to:

**Dr. Lynne Postovit, Professor and Head
c/o dbmsrecruit@queensu.ca
Department of Biomedical and Molecular Sciences
Botterell Hall, Rm 563
Queen's University**

The University invites applications from all qualified individuals. Queen's is committed to employment equity and diversity in the workplace and welcomes applications from women, visible minorities, Aboriginal peoples, persons with disabilities, and LGBTQ persons.

Posting Date: November 12, 2019
