

All applicants must include with their application a CV, and a one-paragraph statement regarding their relevant experience. Undergraduate and graduate students must also provide a copy of their unofficial transcript.

Please submit your application package as ONE PDF document.

DISCLAIMER

Graduate Supervisor's permission is required for all graduate students applying for a TAship or TAships. Applications without the graduate supervisor's signature will not be considered.

Only those selected for a course assistant position will be contacted by email. We will do our best to accommodate your request, but we cannot guarantee you will receive a position. Teaching/academic assistants who do not carry out their duties satisfactorily may lose their position.

Appointments and rate of pay will be made according to the collective agreement of Graduate Teaching Assistants (PSAC) and Academic Assistants (USW).

Conflict of Interest. If you have, or have had, a familiar, sexual or otherwise close relationship with a student, you will be in a conflict of interest. If that is the case, you must disclose this to the course instructor upon your appointment. You are not required to provide any details nor do you need to answer any questions about it; you are entitled to confidentiality. The appropriate steps will be taken by the course director.

I have read the position requirements, reviewed the course description, and deem myself qualified for the courses that I have selected.
